### Terms and Conditions:

- All treatments are carried out by students studying at this College
- Students are supervised at all times
- All clients receive a Client Disclaimer form on each visit and these forms must be read and signed before the treatment can be started
- Students are assessed throughout their course, so please understand that the student may be under assessment at the time of your treatment
- Students are learning and your understanding about this would be greatly appreciated
- Your desired expectations may not be achieved and results may vary (no free services will be given to correct service)
- We treat everyone in a professional manner
- Children are not allowed in treatment rooms or to be left unsupervised in the College
- Prices and durations are estimates only and are subject to change without notice
- Please allow extra time for client consultation before treatments (around 15 minutes)
- EFTPOS payments only (no cash kept on premises)
